WELCOME

ALLERGIES AND INTOLERANCES

Our customer service team will be happy to provide you with information about allergens and additives on request.

ABOUT US

For five generations, we have been welcoming our guests personally and can look back on 116 years of family ownership. Uwe and Doris Osswald, Laura Berhalter, Renate Osswald and the whole Forst team extend a warm welcome to you!

HONEST & LOCAL

In our cosy dining rooms, or on our idyllic sun terrace when the weather is fine, you can enjoy the very best that the season has to offer. We make sure that any ingredients we do not grow ourselves are sourced from local farms wherever possible.

PROJECT "LANDZUNGE" SINCE 2007

At LandZunge Gasthof, we focus on regional ingredients and traditional recipes, often with a modern twist. Local meat from pasture-raised cattle and free-range pigs, cheese from the Allgäu, ice cream, water, juice and beer - all sourced locally.
